

LEASING WITH GRENKE: EXPLAINED

Get ahead of the competition with the very latest equipment, flexibly and affordably. With GRENKE, all you have to do is choose your preferred lease term.

// THE PROCESS

// BENEFITS TO YOU, THE CUSTOMER

The certainty you need to make plans with fixed payments and retaining cash in your business.

NO LARGE UPFRONT COSTS Why pay out a lump sum when with leasing you can pay a small amount every quarter?	CASH Cash is king – it makes sense to use it for expansion or critical business needs. Leasing preserves precious cash.
100% TAX ALLOWANCE Leasing is 100% allowable against pre-tax profits. The total cost (capital & interest) can be offset during the lease, deducted as a trading expense.	UPGRADES Leasing allows you to take advantage of technology improvements at a time of your choosing, at reasonable cost.
